

Volunteering for Sydney Children's Hospital

“Volunteering at Sydney Children's Hospital Foundation is very rewarding. It is a fantastic feeling to help the staff get crucial jobs done, and to see that my efforts contribute to the positive healing environment the Hospital provides for its children and families.

Martha, Volunteer

Sydney Childrens Hospital Foundation has many opportunities throughout the year where we require volunteer support.

Who can volunteer?

All volunteers must be aged 18 years or over. Our volunteers come from a variety of backgrounds and occupations, there are no specific skills required; just dedication and a willingness to have fun and help Sydney Children's Hospital.

What volunteer work is available?

Events

We need volunteers to assist us at the large number of community events held to support the Hospital.

- Concerts
- Golf days
- Gala Dinners
- Comedy Nights
- Race Days
- Sporting Events

Corporate Volunteering Program

Corporate volunteers can assist in a variety of ways, including helping with gardening projects and craft activities, decorating wards for special events and hosting BBQs for patients, families and staff to name a few.

BigPond Star Café

The BigPond Star Café at Sydney Children's Hospital provides delicious food, including pre-ordered evening meals, for patients, parents, staff and visitors from Monday to Friday. Volunteers are always required to assist with general operational duties within the café. The café Manager will allocate shifts depending upon your availability.

Arts Program

The Art Program manages a small and dedicated team of volunteers, who assist with a range of projects including hanging exhibitions, looking after the collection and doing research on the artists and artworks held in the collection. Volunteers are required in the Art Program on an intermittent basis, depending on the number of exhibitions on display.

But that is not all, if you have any other talents, skills or areas or interests and would like to volunteer please contact the Special Events Team on 9382 1188 or info@schf.org.au
