Sydney Children's Hospital Foundation

Independent Audit Report to the members of Sydney Children's Hospital Foundation

Report on the Financial Report

We have audited the accompanying financial report of Sydney Children's Hospital Foundation ("the Foundation"), which comprises the balance sheet as at 30 June 2008, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the Foundation are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of Sydney Children's Hospital Foundation, is correct as at the date of this auditor's report.

Basis for Qualified Audit Opinion

Cash donations are a significant source of revenue for the Sydney Children's Hospital Foundation. The Sydney Children's Hospital Foundation has determined that it is impracticable to establish control over the collection of cash donations prior to entry into its financial records.

Sydney Children's Hospital Foundation

Independent Audit Report to the members of Sydney Children's Hospital Foundation

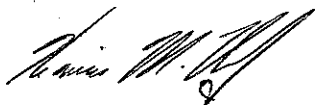

Accordingly, as the evidence available to us regarding revenue from the above source was limited, our audit procedures with respect to cash donations had to be restricted to amounts recorded in the financial records. We therefore are unable to express an opinion whether cash donations to the Sydney Children's Hospital Foundation obtained are complete.

Qualified Audit Opinion

In our opinion, except for the effect on the financial report of the matter referred to in the preceding paragraph, the financial report of Sydney Children's Hospital Foundation is in accordance with:

- (a) the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Foundation's financial position as at 30 June 2008 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.
- (b) other mandatory professional reporting requirements;
- (c) the financial statements and associated records have been properly kept during the financial year in accordance with the provisions of the Charitable Fundraising Act 1991 and the regulations thereto;
- (d) money received as a result of fundraising appeals conducted during the financial year has been properly accounted for and applied in accordance with those provisions; and
- (e) at the date of this audit report, nothing has come to our attention that causes us to believe that the Foundation will not be able to pay its debts as and when they become due and payable.

Sydney Children's Hospital Foundation

Directors' Declaration

The directors of the Sydney Children's Hospital Foundation (the trustee) declare that:

1. The financial statements and notes, as set out on pages Pages 4 to 21, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards and the Corporations Regulations 2001; and
 - (b) give a true and fair view of the financial position as at 30 June 2008 and of the performance for the year ended on that date of the Foundation.
2. In the directors' opinion, there are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors of the trustee and is signed for and on behalf of the directors by:

Jack Ford

Director

Dated this 30th day of September 2008

Sydney

Declaration by Chairman of The Board of Directors in Respect of Fundraising Appeals

I, Jack Ford, Chairperson of the Board of Directors of the Sydney Children's Hospital Foundation declare that in my opinion:

- (a) the financial statements give a true and fair view of all income and expenditure of the Sydney Children's Hospital Foundation with respect to fundraising appeals;
- (b) the statement of financial position gives a true and fair view of the state of affairs with respect to fundraising appeals;
- (c) the provision for the charitable Fundraising Act 1991 and the regulations under that Act and the conditions attached to the authority have been complied with; and
- (d) the internal controls exercised by the Sydney Children's Hospital Foundation are appropriate and effective in accounting for all income received.

Sydney Children's Hospital Foundation

Notes to the Financial Statements

For the Year Ended 30 June 2008

1 Statement of Significant Accounting Policies

(a) General information

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

The financial report covers Sydney Children's Hospital Foundation. Sydney Children's Hospital Foundation is incorporated and domiciled in Australia.

The financial report of Sydney Children's Hospital Foundation complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety.

The following is a summary of the material accounting policies adopted by the Foundation in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(b) Basis of Preparation

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

(c) Income Tax

The Foundation is exempt from the payment of income tax, as it is a fund established for public charitable purposes by instrument of trust.

(d) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are measured on a cost basis.

Plant and equipment

Plant and equipment are measured on a cost basis.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Sydney Children's Hospital Foundation

Notes to the Financial Statements

For the Year Ended 30 June 2008

1 Statement of Significant Accounting Policies continued

(d) Property, Plant and Equipment continued

Depreciation

The depreciable amount of all fixed assets excluding freehold land, is depreciated on a straight-line basis over their useful lives to the commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Buildings	2%
Motor Vehicles	20%
Office Equipment	20%
Computer Equipment	33%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

(e) Financial Instruments

Recognition

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

Financial assets at fair value through profit and loss

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 139: Recognition and Measurement of Financial Instruments. Derivatives are also categorised as held for trading unless they are designated as hedges. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

(f) Provisions

Provisions are recognised when the Foundation has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Sydney Children's Hospital Foundation

Notes to the Financial Statements

For the Year Ended 30 June 2008

1 Statement of Significant Accounting Policies continued

(g) Employee Benefits

Provision is made for the Foundation's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits.

(h) Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash includes cash on hand and at banks, including interest-bearing deposits with banks and financial institutions. It does not include managed investments or cash management funds that form part of the managed investment.

(i) Revenue

Donations, pledges and bequests are only recognised upon receipt and no provision is made to record income, as income, from funds that have been pledged or promised.

The Foundation cannot establish control over donations made to it, until such time as their receipt is initially entered into the financial records.

(j) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

2 Revenue

(a) Revenue from ordinary operating activities

	2008	2007

Sydney Children's Hospital Foundation

Notes to the Financial Statements

For the Year Ended 30 June 2008

15 Financial Instruments continued

(b) Net Fair Values

The net fair values of listed investments have been valued at the quoted market bid price at balance date adjusted for transaction costs expected to be incurred. For other assets and other liabilities the net fair value approximates their carrying values. No financial assets or financial liabilities are readily traded on organised markets in standardised form other than listed investments. Financial assets where the carrying amount exceeds net fair values have not been written down as the economic entity intends to hold these assets to maturity.

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the balance sheet and in the notes to the financial statements.

Aggregate net fair values and carrying amounts of financial assets and financial liabilities at balance date:

	2008		2007	
	Carrying amount	Net fair value	Carrying amount	Net fair value

(d) Fundraising conducted jointly with traders:

Included in Donations and Fundraising Appeal Revenue of \$8,374,493 (Note 2) is revenue from fundraising conducted jointly with traders disclosed as follows:

Total Revenue	255,038	224,465
---------------	----------------	---------

No expenditure was incurred in connection with the above during the year.

18 Donations

During the year ended 30 June 2008 donations, pledges and bequests totalling \$10,015,451 (2007: \$10,882,165) were received by the Foundation. The Foundation, in common with most organisations dependent upon such contributions, is unable to establish control over voluntary donations prior to their initial entry in the accounting records.

19 Executives Remuneration

The board's policy for determining the nature and amount of compensation of key management is as follows:

The compensation structure for key management personnel is based on a number of factors, including length of service, particular experience of the individual concerned, and overall performance of the Foundation.

20 Number of Employees

At 30 June 2008 there were 27 (2007: 31) employees of the Foundation.

21 Segment information

The foundation operates in a single segment as a charitable foundation in Australia.
